A sepia-toned photograph of a schoolyard. In the foreground, there's a dark, curved shadow, possibly from a person's head or a large object. In the background, there are trees, a tall pole (maybe a flagpole or light pole), and a fence. The scene is outdoors and appears to be a typical school setting.

Dear reader:

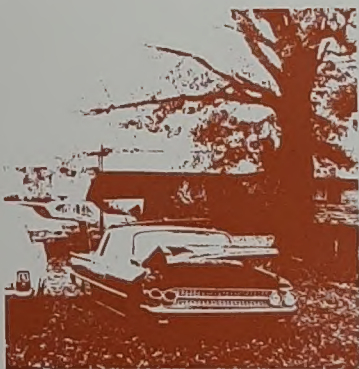

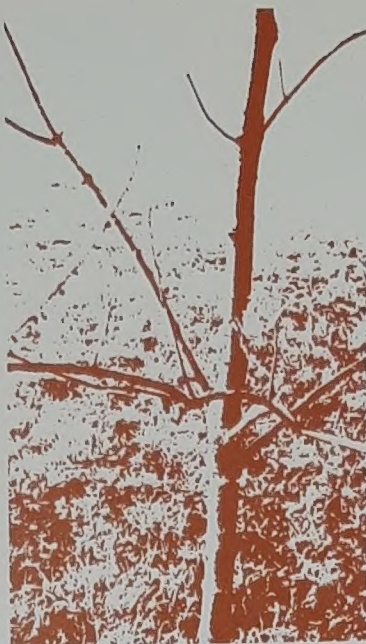

In the 1971 **Scarab** we've tried to (1) create a definite mood on each two-page spread, (2) show the presence of interesting designs and forms—both natural and man-made—in our school and community, (3) present photographs and layouts that are artistically pleasing, (4) record the unique events of the 1970-71 school year.

Thanks go to Mr. Gary Messersmith, our **Scarab** adviser, and to sixth hour staff members Alice Jankousky, senior assistant editor; Brad Loman, layout editor; Jeri Robinson, feature editor; Mark Aaron, sports editor; Mary Louise Budzak, copy editor and business manager; and Leanne Mitchell and Robin Percy, junior assistant editors. In 180 sixth hours, in midnight "get ready for deadline" sessions, in precarious picture taking situations, they've contributed so much.

A special thanks goes to our photographer Paul Hickman, who prepared all formal portraits, formal club shots, and special informal shots in the introductory section. We also wish to thank Mr. Ed Harpole, Paragon Yearbook representative, for his assistance.

Yours truly,

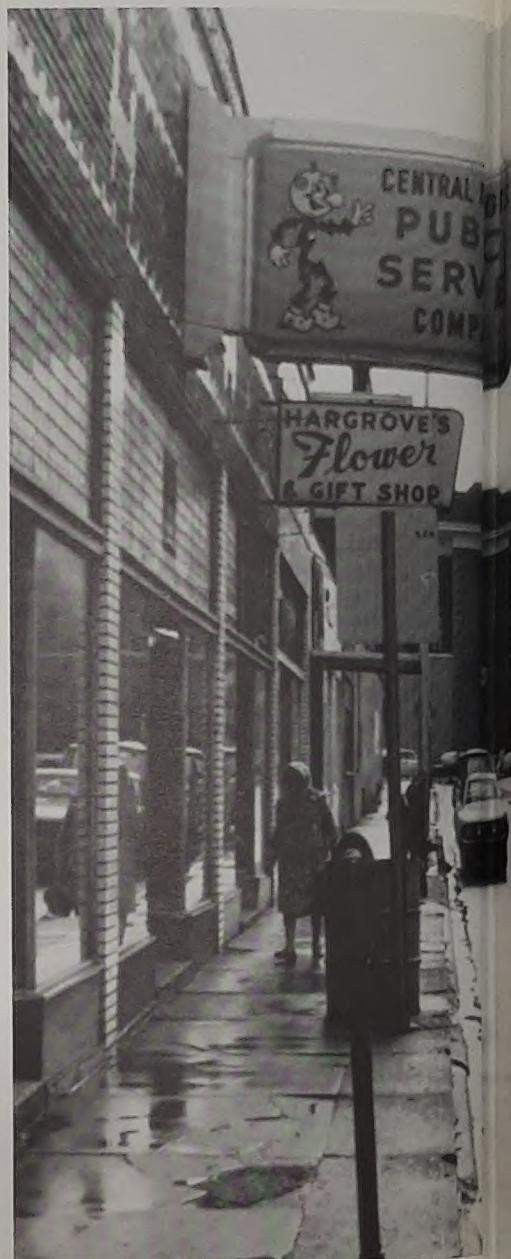

Paula Budzak
Editor

Art is the difference between SEE-ING, and just identifying. Only people can see the shape of a puddle and the reflections it catches, the hard angles of steel girders against the sky, the light-and-dark of shadows on a stairway, the rhythm of whirling wheels at rush hour.

This is art? Almost. This is man shifting gears from the pace of everyday rush for a long look, seeing the pattern, the rhythm of rustling leaves or stark winter branches, of water dripping, of the slinking movement of a cat: **This** is man taking a long look at the things he needs, at the world rushing by, at war, at hate, at love.

And I live in America and find its
face not ugly for a minute . . . well,
maybe every now and then a
minute . . .

Distasteful to me are those crea-
tures and those politicians who
propagate peace when they mean
peace just for themselves . . .

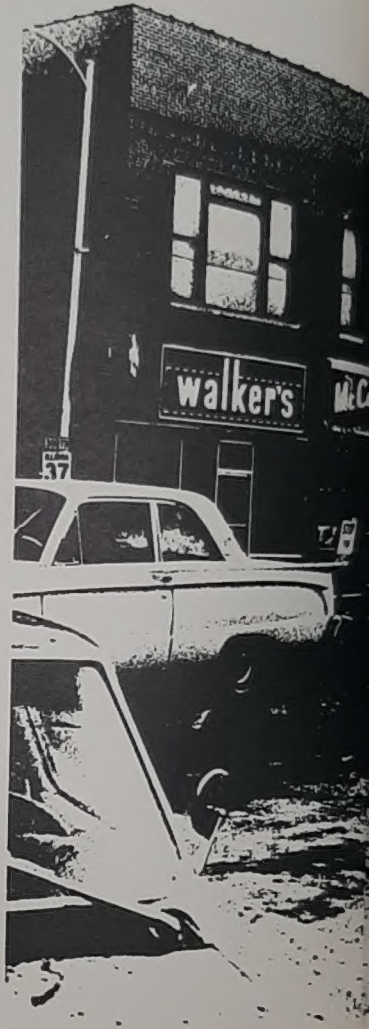

Those minutes when ugliness runs
rampant in my country I would
not overlook, but challenge them
whenever I've a chance.

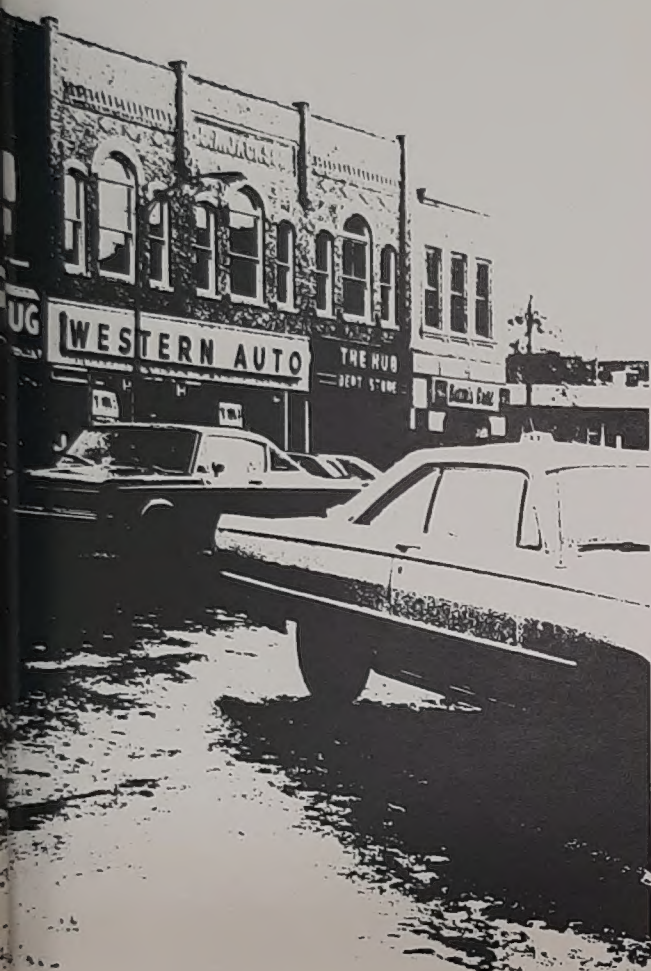

I find the face of my America
beautiful and proud I'd be to
help smooth out her wrinkles.

Those who contemplate the beauty of the earth find reserves of strength that will endure as long as life lasts. There is symbolic as well as actual beauty in the migration of birds, the ebb and flow of the tides, the folded bud ready for spring. There is something infinitely healing in the repeated refrains of nature—the assurance that dawn comes after night, and spring after winter.

ACTIVITIES and ORGANIZATIONS

THE RANGER BAND

1970

The Ranger Band presently boasts new uniforms, basses, french horns, contra bass clarinet, Baritone and a whole new Parade Drum Section, also a balanced instrumentation, color guard, Letter girls, twirlers and guest performers. One of the highlights of the school year is the Ranger Band hosting the annual "Rhythm Round Up". This activity involves the participation and cooperation of all grade school districts feeding into the Benton Consolidated High School District No. 103. This has brought about a smoother transition from grade to High school for instrumental music.

TWIRLERS: Robin Hefner, Melanie Tabor, Mary Kaye Moore, Kay Wills, Pam Hankins, Debbi Wills.

SINGING TAKES

US MANY PLACES

In Chorus we learned that good posture often helped tone and that by hard work, much concentration and a consciousness of or doing **together** we were sometimes successful in producing music much greater than we in a satisfying way. We developed our skills in reading music with all those sight singing drills. We became more poised through singing solos, in esembles at various civic affairs, and most of all in parts in the spring musical, **The Music Man**. Some of us even became pretty good directors. Ninety of us warblers had a big year, and we hope the things we learned will help us in lots of ways as we move along life's way.

Select a theme and cover and endsheets, learn how to use the cropper ... and the Polaroid; memorize the job number (2680,2680,2680 ...)—these were a few of the first things the 1970-'71 **SCARAB** staff had to do. Ad soliciting started in September; staff members met with Paragon Yearbook personnel in Indianapolis on October 3; the staff took **SCARAB** subscriptions November 2-6.

The first deadline approached—first pages to be sent in were the ads and the introductory section (we sent drafts of our pages along with our photos and stories to Montgomery, Alabama, for printing). Pictures of the classes, "Cheaper by the Dozen", Homecoming, and football were included in the shipment for the second deadline. Next to be mailed were the formal and informal clubs. Finally we submitted the remaining pages of our book—informal teachers, sports, and division pages.

Latin Club members got together chiefly for fun—but with the side effect of learning a bit extra about the personal life, customs, and religion of the Romans. The club entered an anti-pollution float in the Homecoming parade; a single Roman in a litter borne on the shoulders of the others. In December, the club celebrated Saturnalia. A picnic in the spring rounded out the year's activities.

The cold weather did not distract the diligent **Spanish Club** workers building their float. They won First Prize in the Homecoming Parade. A Christmas dinner with the breaking of piñatas highlighted their winter activities. Spanish Club ended the year with a picnic.

Initiates to **Mu Alpha Theta** again begged for pennies and wore sandwich boards and dunce caps advertising the Math Club Dance. Activities of the club included a trip to Chicago for three days at the close of school last year, a King and Queen of Hearts Dance, and a bottle drive to collect empties for the deposits. The club undertook a special project this year by working with the Sixth-hour Scarab Staff to decorate the gym for Homecoming.

Two bus loads of **History Club** members reached St. Louis on a chilly Saturday, September 26, for a tour of the Missouri Historical Museum (attractions included Revolutionary War muskets and uniforms, Jesse James' revolver, and Charles Lindbergh memorabilia—from chewing gum wrappers to trans-Atlantic flight suit) and the Gateway Arch. On Tuesday, November 3, a presentation by the Madrigals climaxed a hearty Thanksgiving Dinner, where Mr. and Mrs. Genisio were guests of the club. During the spring, History Club members kept busy preparing for the annual chili supper and the Southern Regional Historical Meeting.

Students participating in **Diversified Occupations** have the opportunity to go to school half day and work the other half. While these students are being trained at the occupation they choose, they are also getting paid.

The purpose of **F.B.L.A.** is to introduce the members of the club to actual business working conditions. The Future Business Leaders got their activities underway this year with a bakesale.

The "nervous novices" of Benton's new debate team wrangled with delegates from competing Illinois schools at the Little Egypt Debate Tournament, December 4 and 5 at S.I.U., Carbondale. The proposal considered?—"Resolved: That the Federal Government should establish, finance, and administer programs of air and water pollution control."

Before it was quite light and before senior members of the **Science Club** were quite awake, the bus for St. Louis left the high school on Wednesday, December 9. The club visited the planetarium (where the story of the Christmas star was presented), the Museum of Science and Technology (where physics students tried out the working models), and Anheuser-Busch Brewery (where there were no free samples). During the year, colored animated films were featured at the club meetings. Some titles included "Our Friend the Atom" and "About Time."

Mardi Gras and Bastille Day celebrations were planned by the **French club**, which was expanded this year to include students who hope to study French next year. Mrs. Paul L. Whittington, a native speaker of French, visited meetings and assisted the club with its activities.

Generating more school spirit was the aim of the **Pep Club**, whose faithful members could be heard at all the ball games yelling their lungs out for the Rangers. This year's Pep Club was organized by the cheerleaders.

The newly formed **Radio Communications Club** is interested in promoting the understanding and use of radio equipment. During a few noisy noon hour sessions, the club built a cabinet to house their new equipment: an amateur transmitter, variable frequency oscillator, and a converted U.S. Navy aircraft receiver. The club made several trips to visit the S.I.U. Amateur Radio Club; entered a float, "Tuned in and Turned on to Victory," in the Homecoming parade, and assisted in the Heart Drive. A special project for the club this year was the collection of Clark Gum Packs for UNICEF. What's the club's goal for the future?—establishment of an amateur radio station at B.C.H.S.

The **Student Council** of B.C.H.S. takes part in school issues and holds the responsibility of school government. The president presides over school assemblies. The members were in charge of selling Homecoming tickets this year.

"Would you like to buy some Tupperware?" This is how the **Future Homemakers** Started off their year packed full of fun activities. The girls got dressed in their Sunday best for the Farmers' Ball. One big event of the F.H.A. year was caroling with the Key Club boys. Wonder why? They welcomed all new members in January. The year closed with a Mother-Daughter Banquet in May.

Where did **F.T.A.** members go in 1970-71?—to S.I.U.; to Columbia, Illinois, site of Regional Workshop; to Europe—via a lively presentation by B.C.H.S. foreign travelers, Nancy Pope, Oneida Miller, and Bette Jon Schrade. In January, semester break time, college students came back to “tell it like it is” and to answer lots of questions from Future Teachers.

A lollipop exchange was a fun way to welcome freshman girls to membership in Benton **Hi-Tri**. Formal welcome for freshmen came on October 20, with a ceremonial and tea for the girls and their mothers. Hi-Tri conferences were held in October (DuQuoin) and in April (Metropolis). The year's finale—with awards going to the senior girls who attended all eight conferences—was the May 10 Mother-Daughter Banquet.

Participation in **F.F.A.** gave members a chance at leadership, character, and improvement in agriculture. Boys attended the livestock show in DuQuoin, squaredanced with the Future Homemakers at the annual Farmer' Ball, and selected King and Queen, David Clark and LaVera Spilman.

Hi-Y started the year with a hayride to Lake Benton. The Egyptian Combo played for the club's winter dance, which was held on January 16. Hi-Y members served as ushers for the basketball games, participated in the Y.M.C.A. Youth and Government Program, and attended the fall leadership conference. High point of the year was a trip to Carbondale for a swim at Jackson "Y".

Soap drive for Dixon Hospital, March of Dimes, Heart Fund Drive, Easter Seal Lily Day, caroling with the F.H.A., Christmas Dance (Santa Claus invited) were among the activities jotted on the calenders of this year's **Key Club** members. This year's club can boast of having Ed Perry for Lt. Governor of the District and C.C. Lowery as March of Dimes Youth Chairman for eight counties in Southern Illinois.

Monday through Friday you can see the "Pinkies" at the Franklin Hospital. Their duties consist of emptying wastebaskets, filling the patients' pitchers, and passing out the dinner trays. They got this opportunity by being members of the **Future Nurses Club**. Other activities of F.N.C. were Christmas caroling at the nursing homes and helping in various clinics.

"Can I check this book out?" . . . "Where are the 921's?" . . . "Do you have anything on Chinese holiday customs?" Questions like these are directed each day to members of the **Library Club**, who give at least an hour daily to their work in the library. Each year members of the club and their sponsor, Mrs. Little, attend the Student Library Association conference and at Christmas have a dinner party.

ATHLETICS

HOMECOMING 1970

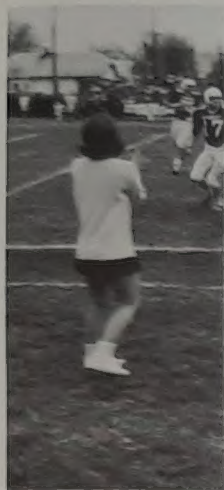

A Homecoming meeting was held, and **Camelot** was chosen as our 1970 theme. After a week of hard work and cooperation, the decorations were complete. Carla Hottensen was crowned Queen (right) for 1970. Her attendants (below) were as follows: (Left to right) Pam Cook and Jill Tindall, Juniors; Jeanne Milburn and Alice Jankousky, Seniors; Beverly Walker and Mary Kaye Moore, Freshman; Becky Harvey and Leslie Henley, Sophomores.

Homecoming began in utter turmoil; it was the coldest week in the history of Homecoming. As the floats lined up, paper began to fly. Inside the gym, the pep session was under way. Carla Hottenson was named Homecoming Queen. The parade consisted of various floats, from "Stomp the Red Birds" to "Breakfast of Champions." The floats pulled out and the parade was in progress.

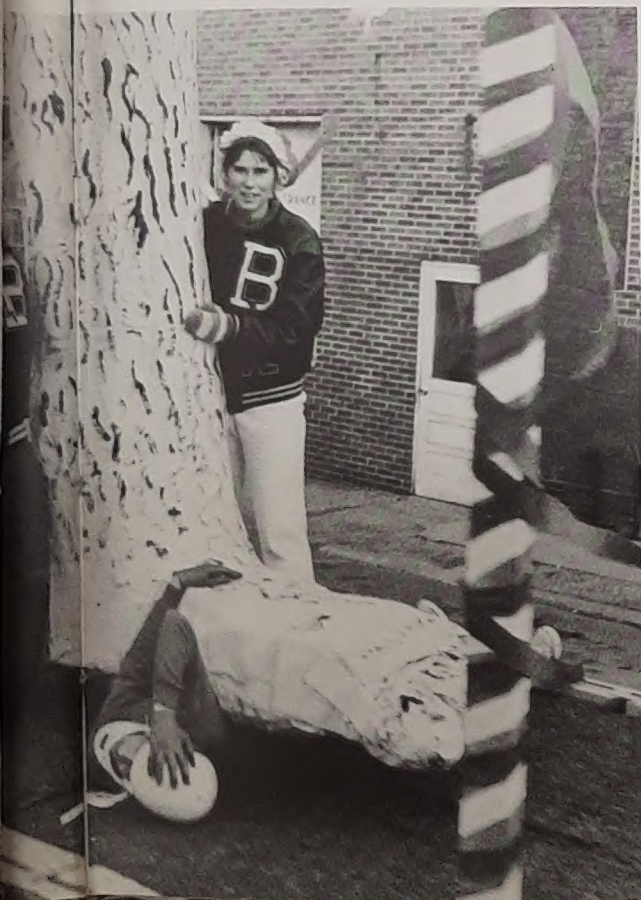

The game began with selections by the B.C.H.S. Ranger Band. The competition began; Benton was ahead. Despite the encouraging beginning, the Rangers suffered defeat. That evening brought the awaited Homecoming dance. Students and alumni danced prior to the crowning. Following the crowning, the Queen and her court left the stage.

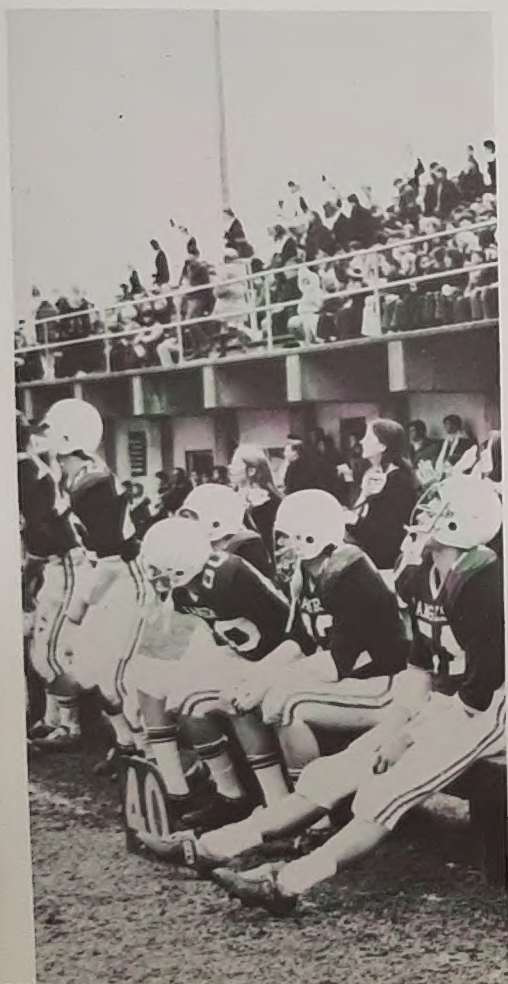

The floats moved toward the square one by one. As the last float reached the square, news of the winners filtered back to the school. The Spanish Club (top) won first prize with "Put the Birds to Sleep." The Latin Club (far left) earned second prize with "The Victory March," and the History Club (bottom) finished third with "Stomp the Birds." . . . And after the parade, the turnout for the teardown was trifling.

The boys who run cross country deserve more credit than they receive. The B.C.H.S. Cross Country Team had a good 1970-71 season. Some of the team's highlights included: 2nd in the South Seven Conference Meet, 2nd in the District Meet, and 6th in the Sectional Meet. As the boys themselves pointed out Mr. Miller has helped them tremendously. . . . But it's the boys who win the race.

1970-71 SEASON

This year's Benton Rangers Basketball Team had a great season. Coach Rich Herrin's crew had been playing together for the last three years and had become a very polished ball club. The team set four goals at the beginning of the year and completed three of them before they were stopped.

The first of these goals was to win the South Seven Conference. The "Running Rangers" started off the season with flying colors by rolling over four straight conference opponents before bowling 74-72 to Centralia. After this the Rangers found that the Conference trophy was going to be a tough battle. Benton got down to work and reeled off nine victories. The first goal of winning the South Seven Conference was theirs.

To win the Centralia Holiday Tournament was the second of the Rangers' four goals. They beat a powerful Jacksonville ball club and advanced against Homewood. Benton defeated Homewood 85-66. Before playing in the finals, the Rangers faced a well-balanced Champaign ball club, which they defeated by the score of 67-52. The second dream of the Rangers came true when Benton beat Centralia 64-52.

The next goal was to win the Quad-City Tournament. The Rangers faced stiff competition from McLeansboro, Fairfield, and Carmi. Benton fought off every team thrown at them and won the Quad-City Trophy.

The last goal was the one the Rangers were never to achieve. Benton entered the West Frankfort Regional with a long string of regional victories behind them. Benton opposed West Frankfort in the finals of the tournament and became the 1971 Frankfort Regional champs.

During sectional play, the Rangers met Joppa. Benton won by the walloping score of 78-44. In the finals at Eldorado, Benton met Harrisburg, a team they had beaten twice during the season. The Rangers found Harrisburg a much improved ball club but beat them 69-56.

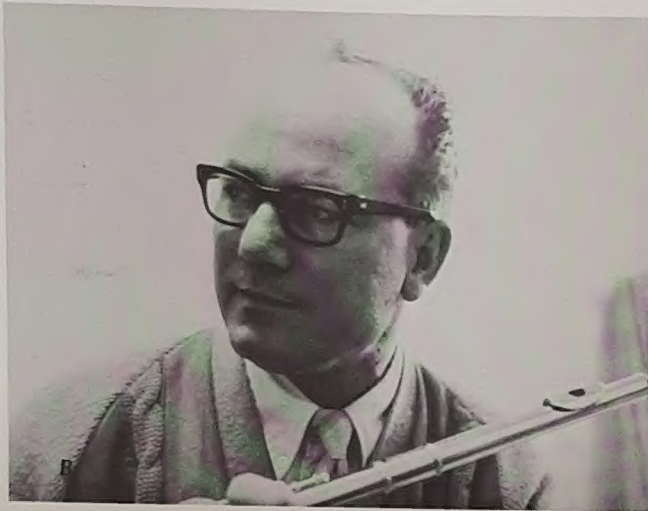

Benton advanced to the Super-Sectional and fought off an attack waged by the fine Nashville team. The Rangers were on their way to Champaign with a final score of 60-52.

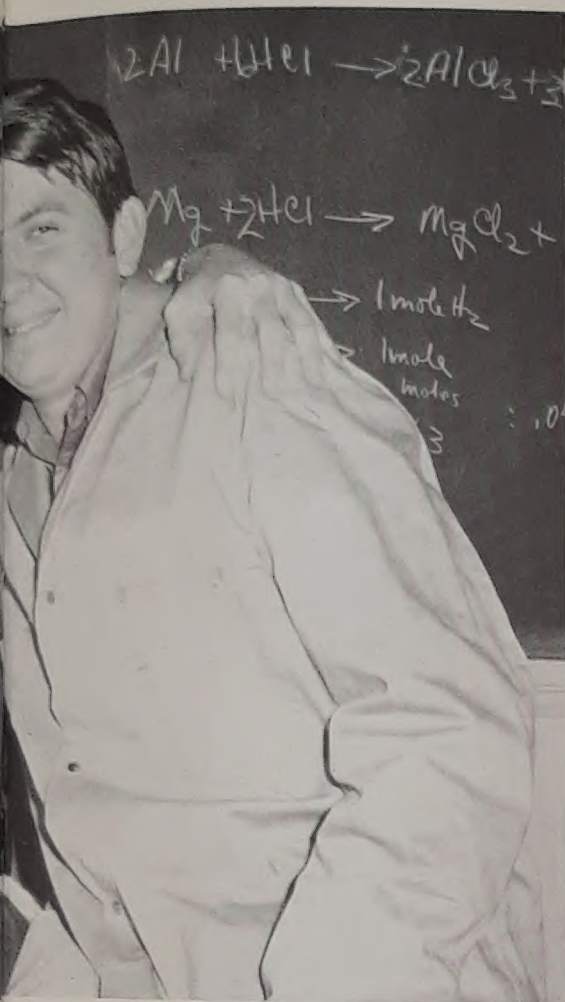

The Rangers were one of the "Elite 8" at state and faced the Oak Lawn Spartans in the first game. The Rangers' dream of achieving their four goals was shattered 71-58.

The 1970-71 Rangers won the South Seven Conference, Centralia Holiday Tournament, Quad City Tournament, and the Regional and Sectional trophies. The Benton Rangers were also featured in the **Wall Street Journal**. Benton fans should be very proud of their "Running Rangers."

The Benton Football Rangers had another disappointing season. The Rangers had a very sound defense, but an offense that had trouble moving the ball. The high points of the Rangers season were traveling all the way to Metropolis and bringing back a victory by the score of 20-6. The Rangers battled the always powerful Centralia Orphans to a 6-6 deadlock game.

Considering the injuries suffered by the Sophomore football team, they did well. Finishing with three wins and six losses may not have been an impressive season, but the Ranger Sophomores fought until the very end of every game. One of the highlights of the Sophomore season was the win over Zeigler-Royalton, by crushing them 62 to 6. Another high-point was beating Harrisburg 30 to 6. These future varsity players are looking forward to a great season next year.

In their first year of competitive football, the Freshman team ended the season with an impressive five wins and two losses. This team shows possibilities of being one of the better teams to go through the B.C.H.S. athletic department. The Freshmen had several convincing wins over top powers of the South Seven. Freshman amassed a five game winning streak, losing only to Carbondale and Centralia.

The 1970 Benton Ranger Golf Team was the first team to go to the State Golf Meet since 1953. After a successful season last year the 1971 Rangers look forward to even greater accomplishments this year.

TRACK

The 1970 Benton Ranger Track team had one of the most successful seasons any Ranger track team has had for many years. Records were set in the mile, two mile, hurdles, and many great performances were given by all the members of the team. The SCARAB wishes to apologize to members of the team and to our subscribers for not having the foresight to gather the necessary photos showing the track team's excellent season.

Freshman Class

The 1970-71 Freshman Class is a big class—in more ways than one. We had a football record of 5-2, and we had a better than great basketball team.

As freshmen we did many things that we hadn't done in grade school, such as choosing class officers (picture). We also chose our nominees from the freshman class for Lil Abner and Daisy Mae, Richard Eubanks and Mary Kay Moore. We elected homecoming attendants, Beverly Walker and Mary Kay Moore. The freshman girls picked four girls to represent them in Hi-Tri, Beverly Walker, Debbie Wills, Karen Lockin, and Sheri Hobbs. Before school started the teachers picked two girls to represent us in cheerleading, Ann Wooley and Alecia VanHorn and the SCARAB Staff selected class editors at the beginning of the school year. They are Melinda Kolisek, Missy Malkovich, and Tom Mick.

The freshman class is looking forward to life at B.C.H.S. for the next three years.

Sophomore Class officers and sponsors: Front row: Joe Padavic, President; Becky Harvey, Vice pres.; Mary Jankousky, Sec.; Becky Eisenhauer, Treas, Sponsors: Mr. Richmond and Mr. Philipak.

Our sophomore year has been a time for making more friends and becoming better acquainted with ourselves.

Once again the Sophomore Class was in charge of the concession stand during football and basketball games. Some of our other projects were a bake sale and a very successful fund raiser. We enjoyed building our class float, "Charge Up." This year we exercised a little seniority, but we are looking forward to next year and the prestige of becoming upper-classmen.

CLASS OF 1972

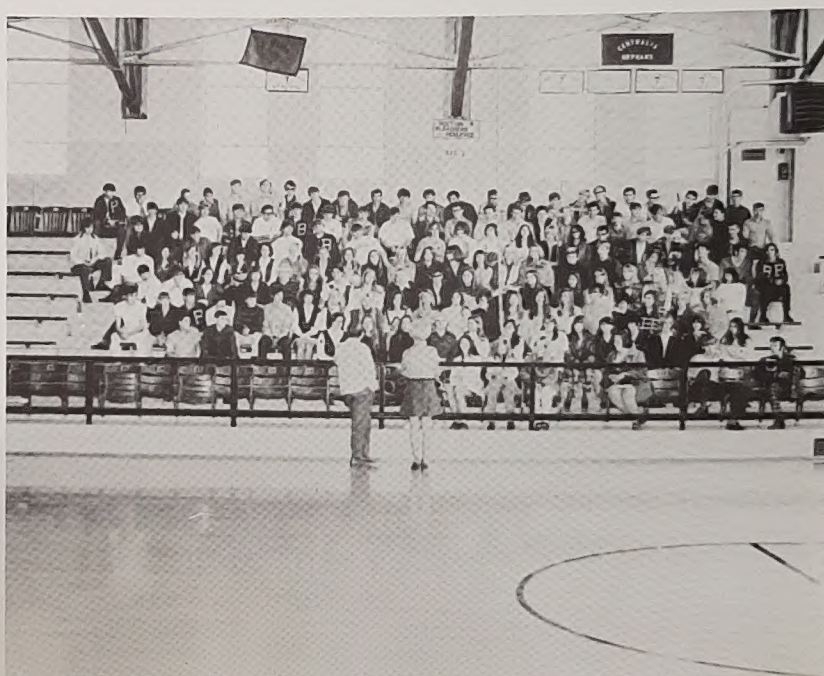

It seems that all too soon we find ourselves juniors and that this year has passed even more quickly than the first two.

In September a committee of juniors selected our class rings. Later in the fall we sold the world's finest chocolate as the fund raiser for the prom.

Junior athletes played important parts on the football and basketball teams at B.C.H.S.

In January we presented **Blithe Spirit** as our class play.

Now we are all looking forward to our last year in high school which, like this one, will pass much too fast.

Class of 1971

Our four long years have come to an end. We look back and catch a blurry glimpse of all our long-lost memories

Remember our fear of entering the "big world of high school", our Freshman float that won third place, our first homecoming, and the fumbling at our locker combinations?

Remember the polywogs, our second place winning sophomore float, and the sophomore tests?

Remember how our class always had to be different—so we ordered class rings just like our predecessors—Tahitian holiday, our Prom theme, the candy sales, our first place winning float, and our two Christmas plays—"Pop Reads the Christmas Carol," and "The Christmas Miser"?

Remember a famous first for B.C.H.S.—black graduation announcements? Remember our last homecoming, "Cheaper By the Dozen", **Macbeth**, and the hustle of Senior Week?

These are just a sprinkling of the memories that have formed in eight short semesters. As we all go our separate ways, some events will be forgotten, but many will live on forever.

OUTSTANDING SENIORS

... outstanding personal achievement ... outstanding scholastic ability ... outstanding community service ... outstanding personality ... These were among the guidelines followed by the B.C.H.S. faculty in the selection of the outstanding seniors. This year we talked to all of the seniors when we took their pictures. Here are some of their reactions ... Wow ... I'm very flattered ... Really? ... I am certainly thrilled ... You've got to be kidding! ... It makes me feel I've really accomplished something ... This is a real surprise ... You're putting me on ... This is ...

... the most outstanding thing that has happened to me at B.C.H.S. ... I will treasure this esteemed honor ... I consider it an honor and a privilege ... Words can never express how overjoyed I am ... I don't know if I deserve it or not ... Are you serious?

For Yesterday is but a Dream,
And To-morrow is only a Vision;
But To-day well lived makes
Every Yesterday a Dream of Happiness,
And every To-morrow a Vision of Hope.
